Topsham Vt. May 22nd/58.

Dear Friend May.

86 Here is the list of appointments for Miss. Holley's meetings in Vermont, to be published in the Liberator. They are not such as I would have made out if she had remained longer, or could have spoken every day. She allows me to arrange for only twelve lectures.

Presuming that you will copy the list before sending it to the Compositor, I give it roughly:

Bellows Falls:	Sunday, ~~May~~ June	6th.
Claremont, N.H.	Tuesday,	June 8th.
Windsor, Vt.	Thursday, "	10th
Woodstock "	Sunday	13
West Randolph.	Tuesday	15
Randolph.	Thursday	17

Brookfield: Sunday, 20th
Williamstown: Tuesday 22.
Northfield: Thursday 24
East Montpelier: Sunday 27th

East Corinth: Tuesday 29th
Bradford: Thursday July 1st.

I think I would not publish the meetings for the third & fourth weeks, for a short time. Especially, do not publish them at East Corinth & Bradford until you consult with Miss. Holly. She may want to go West to Ferrisburgh - from Montpelier.

I cannot say at what hour any of the meetings will open. I think it wise to leave this, to the local friends, & I will write to them accordingly.

Yours fraternally
N. R. Johnston.

P.S. I do not expect to hold any meetings until in July and August. In July we must have another Convention, if not two or three.

I should say, however, that if the Executive Committee have lost Confidence in me, as is quite probable, since the Anniversary, I hope you will with an accordingly; and I will not act any more as agent. Speak freely in this matter. I do not wish to Continue labor, as agent, unless the Committee is hearty in Continuing me. Mr. Garrison seemed wholly disappointed, if not much displeased, with me. If the other members feel so — or even if he Continues so — probably it will be better to discontinue me. I will not Complain. I know I am unworthy. My interest in the Cause is my only apology for ever undertaking the work. But I forbear — Yours N. R. S.
